2012 Youth Plant Science Day

Calling all youth plant enthusiasts . . .

Plant Science Day will increase and test your knowledge about plant science. You will also get a chance to meet other plant enthusiasts ages 8 and older.

In the morning, regular participants will:

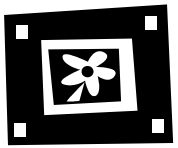
- Identify fruits, nuts, vegetables, trees, shrubs, flowers, and houseplants.
- Judge and place classes of plants. (As done at local County Fairs.)
- Test your knowledge with a written horticulture test.

  The study guide for these events is "Horticulture Contest Study Manual" 4-H 435 (2002) available from your 4-H Youth Development Agent. Visit http://www.njha.org/ and http://www.uwex.edu/ces/4h/onlinpro/plants/index.cfm to learn more.

In the afternoon, **** workshops will be offered:

- " Why Grow Wild Flowers" by Neil Diboll, President, Prairie Nursery
- "Flower Arranging for 2012" by Byron Hacker and Eileen Rueden

Other Entry Categories:



- **Photography:**
  Digital- The digital is open to anyone age 12 – 22. Four categories – single unedited; single slightly edited; single heavily edited & sequence of 4 to 8 digital images that tell a visual story without the use of words.

  35 mm-The 35 mm is open to anyone age 8 – 22. The categories for that are single B &W; Single Color; Sequence of 4; Horticulture collection of B & W or color photos that tell a story without the use of words.

Additional Contest information can be found online at http://www.njha.org/

Speaking and Demonstration: Youth ages 8 to 22 can enter this event focusing on any horticultural topic.

- Speeches or illustrated talks must be 7 – 10 minutes in length.
- Demonstration must not be over 15 minutes.
