OF FOND DU LAC COUNTY

Renting Farm Assets Webinar

March 14

UW-Fond du Lac, Rm. 206 Administration/Extension Bldg.

- 1:00 p.m. **Introduction to Land Values and Lease Concepts Around the Region**
Arlin Brannstrom
Discussion will include a breakdown of how land prices are changing around the state and what might be driving the increases in land rent.
- 1:20 p.m. **Corn & Bean Economics 2012—Review of Enterprise Budgets 2012** — Jim Leverich
This segment will include factors to consider when determining the profitability of renting land to grow corn and beans on in the coming year.
- 1:40 p.m. **Pros & Cons of Risk Sharing / Variable Cash Leases**
Bruce Jones
He will share some tools he has developed that will help landlords and renters decide if a flexible lease contract will work for them and if so what kind might fit their situation
- 2:00 p.m. **Lease Contracts and Legal Concerns**
Phil Harris
Many rental agreements are on a handshake—Phil will cover the legal issues involved with renting farm assets and what makes for a legal contract
- 2:30 p.m. **Resource Summary / Ag Lease 101**
Arlin Brannstrom
Ag lease 101 is a multistate resource site that has been developed to provide information to renters and landlords
- 2:40 p.m. **Local Land & Rental Discussion**
Various Ag Agents
Local agents will discuss local resources and issues with the group
- 3:00 p.m. **Meeting Concluded**

*There is no charge for attending this webinar.
