

Basics of Candy Making Workshop

**Saturday, November 14
9 a.m.-Noon
NWTC Kitchen
229 N 14th Ave, Sturgeon Bay**

Have you wondered where hard candies get their crunch? Why is caramel goeey? And what is that confection called Angel Food? The mysteries to these questions will become crystal clear if you attend the first 4-H Workshop Basics to Candy Making. This workshop will introduce you to some of the basics of candy making and entice your interest in participating in upcoming Candy Making workshops throughout the year. We will prepare you for some award winning entries into the Door County Fair next summer!

Your workshop leader will be Kathy "Cocoa" McCarthy, chocolatier and instructor at the Savory Spoon Cooking School in Ellison Bay. Cocoa has been making confections for over 30 years and now creates gourmet confections for the Sweet Spot Chocolates at the cooking school.

Join us to learn more! Pre-register by sending in the form below or calling the UW-Extension Office by Friday, November 6th!

Requests for reasonable accommodations for disabilities or limitations should be made prior to the date of the program or activity for which it is needed. Please do so as early as possible prior to the program or activity so that proper arrangements can be made. Requests are kept confidential.
