

# Trade Show Opportunity at Rural Landowner Conference

Join us for the **Trade Show** at the 2<sup>nd</sup> Annual Southeast Wisconsin Rural Landowner Conference in Bristol, Wisconsin, on Saturday, November 7<sup>th</sup> 2009. The conference will offer a variety of educational topics from Managing Rural Acreages to Starting a Small Farm.

Participants of the Rural Landowner Conference will be individuals interested in small farming as well as learning about natural resources, conservation, etc. If your organization would like to reach out to this target audience, the **Trade Show** would be a great opportunity for you!

There is no charge for participation in the **Trade Show**; however, we do ask that participants pay \$15 if they'd like to join us for lunch. Sponsorship options are of course, available!

New this year will be a *Farmers Market* that will run concurrently with the conference and **Trade Show**.
