Home Depot is currently investigating a data breach that could affect commercial credit cards. Please continue to use your U.S. Bank card with confidence; your account is protected by U.S. Bank's sophisticated fraud-monitoring tools 24 hours a day, seven days a week. If the bank detects suspicious activity, it will contact you immediately and replace your card automatically. You do not need to cancel and request a new plastic.

To help protect your account, regularly review your purchases in Access Online or on your statement. If you see anything unusual – for example, a transaction you don't recognize -- please contact U.S. Bank right away at the number on the back of your card.
