Committee of Professors Report
October 21, 2010**

Nominations for Promotion to Professor

Four nominations for consideration for the rank of professor have been received. Three of the nominees will be doing presentations in October or November. The committee is inviting all seminar participants to complete evaluations of the presentations utilizing the evaluation form provided by the Committee of Professors. The Professor Promotion Committee will determine their schedule for review of the portfolios in February.

Role of the Committee of Professors

Ideas were shared in regards to the role of the committee of professors in addition to consideration of candidates for the rank of professor. A committee will be convened to further discuss additional contributions professors could make to the Department of Youth Development.
