

**Department of Youth Development  
Committee of Professors Report**

**April 8, 2010**

**Review of Candidate for Professor**

The Committee of Professors met to conduct a portfolio review on February 12, 2010 at a face to face meeting in Stevens Point. Congratulations to Debbie Moellendorf on her promotion recommendation from Associate Professor with tenure to Professor with tenure. The recommendation has been passed on to the Dean and the promotion becomes effective July 1, 2010.

**Professors Promotion Committee**

As previously authorized, the Committee of Professors selected the membership of the 7 member Professor Promotions Committee. This subcommittee will be responsible for the review process and recommendations of candidates for professor. Changes in Appendices G and J have been made to reflect this new committee. For 2010-11, committee membership consists of Barb Barker, Donna Duerst, Katy Forsythe, Pam Hobson, Bob Matysik, Kandi O'Neil, and Denise Retzleff. Matysik was elected chair of the Professor Promotions Committee for 2010-11.

**Formats for Portfolio Submission**

This past year, the Committee voted to allow candidates to submit the portfolio in a paper or electronic format (CD). For 2011, candidates will again have the option of choosing the format of the portfolio and the committee will continue to evaluate options. The Dean's office does still require a paper version of the portfolio if it moves on to that level.

**Election of Chair for 2009-10**

Barb Barker was elected and will chair the Committee of Professors with the term beginning July 1, 2010 and running through June 30, 2011.

**Next meeting**

Teleconference-September 29, 2010; 10:00 a.m.-Noon

Respectfully Submitted,

Bob Matysik, Chair  
Committee of Professors
