**Explanatory Notes:**

- 1) \*=Traditional County (in a traditional county situation, the County pays 40% of the annual salary; the University pays for 60%)**
- 2) EA=Extension Associate**
- 3) Salaries are all listed at full-time equivalent (FTE) annual rates.**
- 4) % of appointment is noted only if the appointment is less than 100%.**
- 5) To calculate actual annual salary for an appointment less than 100%, use the FTE salary listed and multiply by the percentage of appointment.**
- 6) The following faculty positions were filled during 2006-2011 by current faculty members, and are not included in the chart.**
