RE: End-of-Year YEPS Survey

Thank you for participating in two or more 2005 YEPS projects! You should feel very good about how you have helped make our environment a better place!

We would like to know what kind of impact, if any, participating in YEPS has had on you. **Please complete the enclosed survey by December 10<sup>th</sup> and return it in the included addressed stamped envelope.** The survey should take you about 5 minutes to complete.

I realize surveys are not the most fun things in the world to do, but it is *very important* to us to know what you think about YEPS. We are in the process of trying to make the YEPS program even better for 2006!

**To thank you for completing and returning this survey, we've included a coupon for a free Culver's custard cone!**

Thank you for taking the time to complete this survey. Happy Holidays!
