WISCONSIN 4-H FOUNDATION

*Making an **impact** for the 4-H Youth Development Program of the UW-Extension*

Established in 1954, the Wisconsin 4-H Foundation supports many 4-H programs, helps fund both youth and volunteer leaders' attendance at national competitions and conferences, and provides college scholarship support.

“Our Wisconsin 4-H Youth Development Program is one of the finest pre-college and youth leadership programs in the nation. It uses experimental, research-based educational opportunities that help youth become competent, caring, confident, connected and contributing citizens of character. I have a warm spot in my heart for 4-H, because I belonged to 4-H when I was a child, and it helped shape the person I am today.”

What 4-H Youth Say About 4-H Program impacts

Leadership Skills

“At the NCR 4-H Volunteer Forum, I was able to talk with other youth leaders as well as adult leaders. I learned about different leadership strategies and activities. This experience has really helped me grow as a leader ...” ~ Kelsey

Pride & Sense of Self-Worth

“At the NCR 4-H Volunteer Forum, many of the seminars I attended have inspired me to be the best person I can and take whatever role I can in making the world a better place.” ~ Steven

People Skills

“Through 4-H I have developed a love for my community and a passion for helping kids experience new opportunities. I guide and teach the younger members of the club so they will be able to teach the next round of 4-H members.” ~ Corallina

Community Service

“During a 4-H trip to the Hurricane Katrina area, we put in long days, but it was the most gratifying experience in my life. I am grateful 4-H offered me an opportunity I will never forget and one that profoundly changed my vision of what is important in my life.” ~ John

Communication Skills

“Because of 4-H, I not only have experience with communication areas, such as speaking and writing, but I know I enjoy these things and hope to make it a career. I have learned that a passion in life is exhilarating and acting on such a passion is powerful beyond measure.” ~ Katelyn

Connections & Diversity

“The National 4-H Congress in Atlanta was quite amazing. I met new people from 44 different states and Puerto Rico. It's awesome to hear about different cultures and backgrounds.” ~ Kirsten

Our Mission

Our Vision

The Wisconsin 4-H Foundation will be a dynamic leader in expanding statewide support for 4-H Youth Development.

The impact of 4-H ...

- 37,000 Wisconsin youth involved in organized 4-H clubs
- 100,000 youth participate in some form of 4-H programming
- Wisconsin boasts 2,000 4-H clubs
- 2,972 youth are in 79 Wisconsin 4-H after school clubs
- 150 companies make corporate donations to support 4-H youth annually

“If you have been involved in 4-H as a youth or 4-H leader, you know how it works. 4-H programs, meetings and projects take a lot of time and effort by many dedicated people involved in our state programs. Without you, 4-H would not be the fine youth organization it is today. Thank you!”
