

SUPPORT TOMORROW'S LEADERS TODAY!

"Whatever career path I choose, I know that my experiences in 4-H will be an asset. 4-H has taught me more than how to use a camera, make a cheesecake, or raise a steer. 4-H has taught me skills, such as diplomacy, organization, and leadership; these are life skills that I know I will need in college, my career and my life."

- Rock County 4-H Member

More than 25,000 adults and young adults volunteer in Wisconsin 4-H programs.

THROUGH THEIR VOLUNTEERISM:

- ❁ Youth gain a stronger sense of identity and self-worth.
- ❁ Adults learn to respect and value the contributions of youth.
- ❁ Communities grow stronger with a pool of trained, committed, and talented future leaders in their midst.

Wisconsin 4-H has developed "quality kids" for 90 years – **you can help 4-H continue its important work.**

WISCONSIN 4-H FOUNDATION

Providing support for the 4-H Youth Development Program of the University of Wisconsin-Extension

The Wisconsin 4-H Foundation provides essential funding for 4-H programs throughout Wisconsin. Individuals, corporations, and the 4-H Foundation are all partners in supporting the more than 190,000 youth who take part in various 4-H activities throughout the state.

Established in 1954, the Wisconsin 4-H Foundation supports dozens of 4-H programs, helps fund attendance at national competitions and conferences, and provides college scholarship support, as well as funds for the Upham Woods 4-H Environmental Education Center.

Tomorrow's Leaders TODAY!

Pledge Your Support

WISCONSIN 4-H FOUNDATION

I pledge my head to clearer thinking, my heart to greater loyalty,
my hands to larger service, and my health to better living...

 -for my club, my community, my country, and my world.

By exercising independence and practicing leadership, youth become more responsible and better able to succeed in a variety of situations.

HEAD
to clearer
 thinking

Areas of 4-H that emphasize HEAD include club officers, 4-H Key Awards, Curriculum Team, animal judging, and participation at state and national conferences.

By exploring a wide variety of project areas, youth develop skills, interests, and self-confidence that carry into their adult lives. They learn how to compete, develop patience, and judge their own worth and abilities.

HANDS
to larger
 service

Areas of 4-H that emphasize HANDS include 4-H Tech Team, Arts Camp, Area Animal Science Days, Mechanical Sciences, and natural resources study.

By developing a strong sense of belonging and working with others, youth learn how they can contribute to their communities.

HEART
to greater
 loyalty

Areas of 4-H that emphasize HEART include 4-H Club community service projects, community youth gardens, Public Adventures citizenship program, and Building Bridges communication activities.

By learning about themselves, youth develop skills to make positive life choices, feel more comfortable with the world around them, and develop a safe and healthy lifestyle.

HEALTH
to better
 living

Areas of 4-H that emphasize HEALTH include Foods & Nutrition projects, Environmental Education, bicycling, and Plant Science Days.

WISCONSIN 4-H... Programs creating positive opportunities for youth to develop life skills, civic responsibility, and community service experience.
