Operation Military Kids
319 Pioneer Tower
1 University Plaza
Platteville, WI 53818

Dear Operation Military Kids:

Thank you for your recent donation of books relating to the issues surrounding military deployment for the use of patrons in our community. We dedicated a special display to your organization utilizing the materials you sent. Our library works hard to provide a diverse range of books on many topics but always welcomes assistance in rounding out our collection on certain subjects. I am sure our community appreciates the addition of the books you sent and will make good use of them. Since our library is part of the CAFÉ library consortium, the materials you sent will be readily and easily available for patrons in Waukesha County. In addition we frequently fulfill requests through interlibrary loan, which makes these books available to just about anyone who wishes to check them out. Thank you for informing us on the important work you do as well as for providing us with some resources that will help us to better serve our community.

Sincerely,

Kirsten Mortimer
Youth Services Associate
