

**WISCONSIN STATE FAIR**  
**JUNIOR DAIRY MANAGERIAL PROJECT AGREEMENT**

**OBJECTIVES**

1. To develop character, knowledge and a sense of responsibility in 4-H youth.
2. To maintain or increase the number of youth carrying a dairy animal as a 4-H project.
3. To maintain or increase the number of dairy animals carried as a 4-H project.
4. To provide the opportunity to work with registered dairy cattle for both non-farm youth and youth from farms with non-registered cattle.
5. To increase the credibility of Wisconsin managerial projects.

**RULES**

1. The managerial project pertains to the following dairy breeds: Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey and Milking Shorthorn.
2. The program is available to any member, hereafter referred to as the Lessee, in good standing in a county 4-H club, FFA chapter or breed group.
3. It is recommended that the Lessee maintain a 4-H Lifetime Dairy Record form on each dairy animal to be submitted to his or her club leader and county extension agent by the end of the calendar year.
4. The owner will jointly determine with the Lessee specific responsibilities to be carried out by the Lessee. The responsibilities will be recorded on the Managerial Project Agreement and will list items such as:
  - a. When the animal stays on the owner's premises, that Lessee shall enter into an Agreement with the owner regarding Lessee's responsibilities as to the care of the animal or the group of animals that it is a part of.
  - b. When the Lessee has possession of the animal, they shall enter into an Agreement with the owner regarding the allocation of responsibilities for feed, veterinarian care, breeding and insurance.
5. At the Wisconsin Junior State Fair, ownership of an animal by a junior exhibitor is established when the animal is registered in the name of the exhibitor. Co-ownership is allowed between immediate junior family members (i.e., brother, sister). Animals owned by parents, the family farm or others are considered managerial. Managerial forms are not required when the managerial animal is owned by the junior member's immediate family (brother, sister, parent or family farm). These family-owned animals should be entered as managerial at the fair, but they do not require the filing of a form. For all other leased animals, a form must be completed.
6. At the Wisconsin Junior State Fair, a managerial animal is defined as a female registered calf or yearling. Each exhibitor is allowed multiple managerial agreements but is limited to show only one managerial animal. Managerial animals need to be identified with the county agent by June 1<sup>st</sup>. The County Extension Office will also file a copy of the agreement (page 3) with the Wisconsin State Fair Agriculture Department, 640 S 84<sup>th</sup> St, West Allis, WI 53214 by June 7. Managerial identification forms need not accompany the animal to the Fair but MUST be kept at the County 4-H Office until 30 days after the Fair.
7. The Managerial Project Agreement must be signed and filed in the County Extension Office by June 1 of the project year for eligibility at the Wisconsin Junior State Fair. Counties may determine a different date for filing the Managerial Project Agreement for eligibility at local 4-H shows.
8. The title of ownership as stated on the registration certificate of a registered managerial animal will remain in the possession of the owner.
9. The owner will make the animal available to the Lessee during the period of the Managerial Project Agreement.

## RULES (cont.)

10. The owner of the managerial animal agrees not to hold the Lessee liable for any financial loss from injury or death to the managerial animal.
11.
