PROCEDURES & SUMMARY RULES

GENERAL RULES

1. The Match Director reserves the right to alter the event as weather, terrain or registration dictates.
2. The range commander may modify or make procedural match changes in the interest of safety and/or to make the event run more smoothly. The Range Commander will have the final say on issues of safety and range protocol.
3. Physically challenged accommodations must be requested at registration and approved by the Match Director.
4. To be eligible to participate in this Shooting Sports meet, contestants must be enrolled as a 4-H Shooting Sports project member and have met the criteria set by their county Shooting Sports Committee for the disciplines they are entering.
5. Three competition classes are recognized: Junior competitors – age 8 – 11, Intermediate competitors – ages 12 – 14, and Senior competitors – ages 15 – 19. Ages are as of the day of the meet. Competitors must be at least 12 years old to participate in powder burning events, and must provide their DNR Hunter Safety Certification number when registering.
6. All competitors must be able to compete effectively in a safe manner. Participants must provide proper eye and ear protection (i.e. earmuffs and /or earplugs) for powder burning events and eye protection for air pistol and air rifle. Eye protection is recommended but not required for archery. (i.e. prescription glasses, safety glasses or goggles).
7. Range Commanders have the right to deny use of unsafe equipment on the range. Inspection stickers will be placed on all firearms and bows before competitors may take their place on the shooting line.
8. Contestants are responsible for providing their own equipment, including ammunition and arrows.
9. All guns must be in a carry case except when preparing for use at the range and during competition.
10. Iron sights will include open, peep and fiber optic sights. Scopes should be set to a maximum power of 10x. No laser sights are allowed.

Muzzleloading
for 12 year olds and older

1. **Course of Fire:** A single practice sighting shot will be fired at 25 yards, followed by five (5) shots for record. Time allowed will be 30 minutes. Following the 25-yard phase of competition, five (5) shots for record will be fired at 50 yards. No practice/sighting shots at 50 yards. Time allowed will be 30 minutes. A total of eleven (11) shots will be fired – one (1) practice/sighting shot and ten (10) for record shots. A fouling shot, preceding the one practice sighting shot, will be allowed.
2. **Target:** The 25-yard competition phase will utilize the National Rifle Association 6 bull A-51 target. The 50-yard competition phase will utilize the NRA B-19 pistol target. The five (5) shots for record will be fired upon this single-bull target.
3. **Shooting Position:** All shooting will be done from the offhand (standing) position without the aid of a sling or other artificial support. Either the military or Olympic stance is acceptable.
4. **Capping, Snapping, Firing:** All loading will be done at the loading bench located behind the firing line. All capping, snapping of caps, flash pan charging, and firing will take place at the firing line. Shooters are expected to load and fire their guns on their own. If they need assistance, the range commander should be notified.
5. **Propellant:** Propellant to be only Black Powder, Pyrodex, or any other NMLRA approved Black Powder substitute of appropriate granulation for your rifle. A powder measure, separate from the powder container, must be used when charging. No open containers of powder will be allowed on the loading benches. Load charge must be only what is considered light to moderate for your rifle.
6. **Ammunition:** Projectiles will be patched round ball or lubricated bullet. Plastic patching or synthetic fabric patching may not be used with the round ball. Any safe, non-corrosive lubrication may be used. **NO sabots allowed.**
7. **Firearms:** Side hammer or in-line percussion cap rifles or smooth bore shoulder arms that load from the muzzle and which are not a break-open type firearm may be used. Ignition must be by the old type percussion cap, which fits over the nipple. Primers may not be used for ignition. Flintlocks will be allowed.
8. **Sights:** Any metallic sight combination (iron sights) open and/or peep may be used. No telescopic sights.
9. **Optical Equipment:** Spotting scopes are not permitted. Hand-held binoculars might be placed on the bench as an aid in viewing targets.

The Match Director reserves the right to alter the event as weather, terrain or enrollment dictates.
