

## 4-H National Requirements for Qualifying in 2009 for the 2010 Wisconsin State 4-H Team

Listed below are the minimum number of scores needed to qualify in each discipline and which shoots you can earn qualifying scores in 2009. If you earn more than the minimum number of scores in a discipline, your highest scores will be used. You can earn multiple qualifying scores per shoot, but only 1 qualifying score per discipline. Example: if you shoot in 3 archery target events at Shawano, only the highest score will count as a qualifying target score. However, you can qualify a target, animal and Fita score at the same shoot along with a shotgun, air rifle or other score. Archery Recurve lists \*'ed shoots. These shoots have Archery Limited and Archery Barebow events in which both recurve and compounds can be used. If a recurve is used it must be noted while registering so it can be used as a qualifying Recurve score. State Age Requirement: Participants qualifying at state shoots must have passed their 14th birthday by January 1st of the year they are qualifying. National Age Requirement: Participants must have passed their 14th birthday and not have passed their 19th birthday by January 1st of the year of the National. Participants who qualify are eligible to attend National the year following qualification. \*\* Be aware that the Barron County invitational shoot has been cancelled. \*\*
