

FREE 4-H YOUTH MEMBERSHIPS TO THE NWTF JAKES OR XTREME JAKES

NWTF (National Wild Turkey Federation)

Offer is to 4-H Shooting Sports Members and 4-H Natural Resources Project Members

I am pleased to announce that we are again able to introduce 4-H youth to one of the best conservation organizations in the world (**The National Wild Turkey Federation***) with a free youth membership offer. Memberships are being sponsored by Wisconsin NWTF members.

Membership includes a subscription to the **JAKES** magazine or **XTREME JAKES** magazine. The publications are designed for youth 12 years of age and younger (**JAKES**) or 13 -17 years of age (**XTREME JAKES**). Delivery will begin in 4 to 7 weeks.

Jake and Snoodly, NWTF's mascots of JAKES Magazine, are busy cooking up something great for youth concerned with the conservation of America's wildlife. JAKES Magazine is the NWTF's publication for members of its youth program, JAKES (Juniors Acquiring Knowledge, Ethics and Sportsmanship). The magazine is dedicated to informing, educating and involving youth in wildlife conservation and the wise stewardship of our natural resources. The magazine is filled with profiles, news and stories tailored to the young conservationist.

The NWTF's newest program, Xtreme JAKES (ages 13-17), provides opportunities and challenges more in line with older JAKES abilities and experiences. JAKES which stands for Juniors Acquiring Knowledge, Ethics and Sportsmanship is dedicated to informing, educating and involving youth in wildlife conservation and the wise stewardship of our natural resources.

Youth also learn to be responsible outdoorsmen and women through fishing, camping and hunting seminars taught by legends in the field. They learn to identify plants and animals, as well as how to effectively call in those elusive toms.
