We are pleased to invite you to attend a workshop for 4-H Archery Shooting Sports Certification. As you know, Shooting Sports continues to be a high interest project in 4-H. Individuals interested in providing 4-H project classes in Shooting Sports must complete a certification-training program due to the nature of the project.

Participants must be 18 years old or older. As a volunteer instructor you will receive training to prepare you for working with 4-H archery youth. This program will enhance your understanding of the discipline of archery, as well as safety, sportsmanship and ethics.
