

# 4-H Shooting Sports National Invitational Qualification

## Wisconsin Requirements for State 4-H Shooting Sports Team

Team members are selected annually through competitive shoots offered to 4-H members across the state. Members who meet the criteria for eligibility earn their place on the team by recording the highest scoring percentage in a discipline. Members who qualify but forfeit their National trip allow the next highest scoring individual to move up. Teams shall be comprised of no more than four individuals. Team selection is determined in the fall by the State 4-H Shooting Sports Competition Committee.
