Dear

Thank you for submitting the completed Wisconsin 4-H Annual Charter Renewal Packet. This packet provides critical communication, education and legal information. Through the annual charter renewal process, we ensure that local 4-H clubs, groups and committees are meeting the basic requirements to be a 4-H club or group, have sound financial management practices and are providing opportunities to help 4-H members grow and develop. Thank you for your continued effort to be a strong and effective 4-H club, group or committee.

The 4-H Name and Emblem are held in trust by the Secretary of Agriculture of the United States Department of Agriculture for the educational and character-building purposes of the 4-H program and can be used only as authorized by the statute and according to the authorization of the Secretary and UW-Extension 4-H Youth Development programs. In recognition:

has met the agreements and requirements outlined by the Cooperative Extension System and the Wisconsin 4-H Youth Development Program, your group's charter has been renewed through October 31, 2015.

Thank you for your continued support of the Wisconsin 4-H program. Your work is making a difference in the lives of 4-H youth.

Sincerely,

Dale Leidheiser
State Program Director
