

2008 WISCONSIN 4-H CHAPERONE OPPORTUNITIES

Love working with youth? Interested in dairy? Aerospace? Citizenship? Leadership? International travel?

Wisconsin 4-H Wants You!

What opportunities exist?

Citizenship Washington Focus bus trips to Washington, D.C. (June-July);
National 4-H Congress in Atlanta, Georgia (late November);
National 4-H Dairy Conference in Madison, Wisconsin (end of September);
U.S. Space Camp bus trip to Huntsville, Alabama (late April);
International trips to Australia, Japan, Korea, or Mexico (summer).

Who can apply?

Applicants must be at least 21 years old at time of trip and certified Wisconsin 4-H Leaders.
Applicants must be in good health. (Sleep deficit, some lifting and much walking are common!)

What are the requirements?

A complete application must be submitted by March 1 (January or February 1 for international trips).
A county 4-H Youth Development Agent's reference is required. Other references may be required.
Selected international chaperones will need passports and physicians' reports.

How much time does it require?

Most trips are for three to seven days but international trips last one month. In addition, chaperones are required to attend both chaperone and delegate orientations. Preparatory time and time to complete a follow-up report and evaluation must also be scheduled.

What does it cost?

Registration and travel expenses are covered; some meals may be at the chaperone's expense.

What are the criteria for chaperone selection?

- Experience: An applicant must have previous experience chaperoning local, county, district or state overnight or extended trips, whether for 4-H, school, Scouts, or other youth groups.
- Gender: Youth must be represented by adults of their same gender.
- Geographic location: Bus trips for CWF and Space Camp originate in Eau Claire where a chaperone is needed at the initial loading site for each trip. If a leader is not from that area, it should be noted on the application if he/she is willing to board/disembark at Eau Claire. National Congress requires chaperones at four or five widely dispersed airports.
- Interpersonal communication: Leaders must be team players who work together.
- Leadership ability. Effective teams unify a variety of talents: organization, "people skills", guiding....
- Motivation: An applicant's first and foremost reason for applying must be motivated by a genuine desire to lead a youth group, attending to the group's welfare and education, ***not for a vacation or to experience a son or daughter's trip.***
- Previous travel experience: National Congress leaders must have flight experience; international chaperones must have traveled internationally at least once.
- Sense of humor! A vital part of state and national 4-H trips is having fun, both for youth and adults.

How do I apply?

Contact a county 4-H office or call 4-H Outreach at 608/262-1557 or 608/262-0575 for an application.

Each trip has a different focus with different desired attributes for leaders. If someone doesn't fit into one position, they might be great elsewhere. Chaperone applicants will experience some wonderful hot competition for a few positions! If you are not selected this year, please don't be discouraged! Apply again next year!
