

Cooperative Extension Staff of the Office of the Dean and Director

Vision

To always work efficiently and cohesively as a team. **To always** demonstrate individual responsibility and accountability in order to enhance the efforts of our divisional mission.

Mission

We provide operational support to administrators of Cooperative Extension. We strive for excellence as we work with them to implement initiatives and educational programs and to respond to the needs of colleagues and clients.

We Value

Communication

We communicate openly and with clarity to colleagues and clients.

Flexibility

We assist others when needed to meet project deadlines and to achieve expected outcomes.

Honesty and Integrity

We are receptive to input and willing to accept responsibility for our own actions.

Respect

All contributions are valued and given the same level of consideration and respect.

Team-work

We believe that by encouraging collaboration, divergent thinking and leadership, we will maintain an effective team.

Timeliness

We complete projects and respond to colleagues and clients in a timely manner.
