

UW-Extension Dairy Education Programming for Local Veterinarians

Please take a few moments to fill out the following questionnaire about your use of Denise Brusveen as the Sauk County UW-Extension Agriculture Agent. Your feedback is a valuable tool for improving dairy programming for veterinarians as well as farmers in the future.

- 1) What county is your veterinary clinic located in? _____ County
- 2) Approximately how many dairy farms do you serve? ____ Farms
- 3) Please check all ways in which you have utilized Denise Brusveen as your UW-Extension Agriculture Agent:
- October 2007 visit by Denise to your veterinary clinic (Sauk County only)
 - January 2009 Reproduction Research Update meeting at Dairy Forage Research Center
 - One-on-one phone calls or emails to Denise
 - Update emails from Denise (i.e. milk price updates, press releases, etc.)
 - Sauk Ag Updates Newsletter
 - Farm visits with you

- 4) Have the educational opportunities from the list in Question 3 helped you:

Increase your base knowledge that affects recommendations on farms?

Very little *Some* *Quite a bit* *A lot*

To understand current research and recommendations better?

Very little *Some* *Quite a bit* *A lot*

Increase your confidence in your skills or recommendations?

Very little *Some* *Quite a bit* *A lot*

To better serve your clientele?

Very little *Some* *Quite a bit* *A lot*

Affirm current recommendations on farms?

Very little *Some* *Quite a bit* *A lot*

To change recommendations on farms?

Very little *Some* *Quite a bit* *A lot*

- 5) Please list up to three of the changes in recommendations you have made to your clientele based on educational opportunities provided by Denise. Please be specific.

1.

2.

3.

6) Approximately how many farms have implemented changes that you have recommended based on information you have learned from educational opportunities provided by Denise?
_____Farms
