
Small Business Waste Reduction Guide

**University of Wisconsin-Extension
Madison, Wisconsin**

**Solid and Hazardous Waste Education Center &
Small Business Development Center**

Revised December 1997

Acknowledgments

The *Small Business Development Guide: The Impact of Waste on the Bottom Line* was prepared by the University of Wisconsin Extension-Small Business Development Centers and the University of Wisconsin-Extension Solid and Hazardous Waste Education Center. Information in this guide references many general and industry-specific waste reduction manuals and documents. Please refer to Appendix D for a complete list of references. The authors gratefully acknowledge the ideas and information provided by these sources for the preparation of this guidebook.

Project Personnel

Thomas Blewett, Project Manager and Principal Editor
David S. Liebl, Associate Editor
John Ingold, Publication Editor
Marilyn McDole, Assistant Publication Editor
Lauranne Bailey, Editorial Assistant

This project was funded by a grant from the United States Small Business Administration-Office of Small Business Development Centers, and the United States Environmental Protection Agency (David S. Liebl and William Pinkovitz-Principal Investigators), with additional support from the University of Wisconsin-Extension.

The development of this guide and its companion videos is the result of a cooperative effort by those organizations listed below:

U.S. Environmental Protection Agency
U.S. Small Business Administration-
Office of Small Business Development Centers
University of Wisconsin-Extension
University of Wisconsin Board of Regents
Wisconsin Department of Commerce
Wisconsin Department of Natural Resources
Wisconsin Public Television

Disclaimer

While technical reviewers provided guidance in revisions and assisted in assuring content accuracy, the views expressed in this guide are those of the authors and are not necessarily the views of either the technical reviewers or the agencies they represent.

Preparation of this document has been funded by the U.S. Small Business Administration in cooperation with the U.S. Environmental Protection Agency on the behalf of the U.S. Office of Small Business Development Centers. However, it has not been subjected to the agencies' peer and administrative review and, therefore, may not necessarily reflect the views of the agencies involved. No official endorsement should be inferred. This manual provides general information. Contact your state or local waste reduction officials, local university extension office, nearest Small Business Development Center, or vendors for information specific to your business, location, and equipment.

Users are encouraged to duplicate portions of this publication to help implement a waste reduction program. Organizations interested in reprinting and distributing the entire guide can obtain a reproducible master by contacting the Solid and Hazardous Waste Education Center:
