Bi-State Stable Owners/Managers Workshop

Saturday, September 30th 2006

8:30am - 3:00pm

8:30 - 9:00 Registration at the Kenosha County Center

9:00 - 10:00 Why Should a Potential Boarder Choose Your Stable. This panel discussion will include information regarding what should be in a boarding contract, information on what a boarder should/should not expect from your boarding operation and how to avoid potential conflicts between boarders and stable managers/owners.

10:00 - 10:15 Break

10:15 - 11:00 Are you Protected? Insurance and Liability information for Stable Owners, *Attorney Michael Trudgeon, Trudgeon Law Office, Beloit, WI*

11:00 - 12:00 Managing Employees Effectively and Fairly. Learn about Sunflower Farms philosophy regarding managing employees as well as get practical advice on the types of things small business owners should know about employee management including regulations, paperwork, immigration, etc. *Phil May, Sunflower Farms and Curt Weber, UW Whitewater Business Law, Labor and Employment*

12:00 - 12:45 Lunch (provided)

12:45 - 1:00 Drive to Sunflower Farms

1:00 - 2:00 Bio-security on the Farm. This session will focus on the types of precautions a stable owner should take to minimize the spread of disease

2:00—2:30 Biosecurity: A real life story. A stable owner in Wisconsin shares her story of dealing with a disease outbreak on the farm

2:30 - 3:00 Stall Cleaning with Biosecurity in Mind. A local vet will demonstrate how to clean and disinfect empty stalls so as to minimize spread of diseases, insect infestation, etc.

3:00 Tour of Sunflower Farms (optional) Sunflower Farms is a new, state of the art boarding facility that caters to hunter-jumpers and dressage disciplines.
