

best practices, case studies, and tools to lead, inspire, and direct positive impacts on business practices.

MARCH 2008

Featured Content

Management based on strong leadership practices is vital to ensure the success of any business. But what qualifies as “strong leadership practices?” What are the characteristics of an effective business leader, and can they be learned? Read on to learn more about this topic.

Management | Leadership

- **Building the 21st Century Leader**
Heading up a successful company today is a lot different than it was 50 years ago. What skills do you need to lead your business to success--not just today but also in the future?
- **Put People First, Reap Higher Profits**
This audio newsletter identifies ways you can put your employees first and thus reap higher profits for your company. These include honoring your employees, expecting greatness, accommodating family priorities, and trusting employees to deliver. Listen to learn more and hear real life examples of these techniques in action.

Registration is free, quick, and easy.

Reprinting Biz Info Library Content

You are welcome to include the headline and abstract for one or more of our articles on your Web site. We ask that you not reprint a headline or abstract unless you include a link to www.bizinfo library.org. Links you choose to include on your site must not be on the same page as any political campaign, advertising, or grassroots lobbying content on your site, and you may not tie any advertising or other revenue streams to the links. Copyright restrictions do not allow for reprinting of full articles.
