Cooperative Extension Classified Staff Organization (CSO)

Purpose

The University of Wisconsin-Extension, Cooperative Extension Classified Staff Organization exists to promote a positive professional environment for all classified employees (represented, non-represented, limited term and project appointment); to encourage informed communication, professional development and collective decision-making; and to serve as advisors to the Cooperative Extension Dean and Director on matters of interest to classified staff. The organization promotes a spirit of trust, respect and equality among all members of the Extension community while supporting Cooperative Extension's mission.
