Programming Areas

- Water resources education
- Woodland owner education
- Capacity-building for citizen conservation organizations
- Techniques in natural resources interpretation and education
- Project design for natural resources interpretation and education

Audience and Partners

- State and county agency water resources and forestry staff
- Private, non-industrial woodland owners
- Citizen members of conservation organizations, especially watershed organizations
- Providers of formal and non-formal environmental education, such as teachers, professors, nature centers, museums, and camps

Team Membership

- Natural Resources – Water – General

Educational Resources

Publications

- 2007, Buckhorn Barrens Nature Trail – Interpretive signage for oak wilt management and barrens restoration at Buckhorn State Park. (Developed through a collaborative group process with UWEX Matt Duvall and Wisconsin DNR staff).

- 2004, Sustainable Forestry on the Black River State Forest – Interpretive signage for the Pigeon Creek Nature Trail. (Developed through a collaborative group process with Wisconsin DNR staff).

Workshops, Wislines and Other Programs

- 2007, Watershed Protection in the Spotlight – A series of 10 programs spotlighting people, organizations, businesses and agencies working to protect water resources in the Sheboygan Basin. (Conducted in partnership with Sheboygan County Planning and Resource Department and the Sheboygan River Basin Partnership).
- 2007, Sheboygan River Litter Clean-up, in partnership with YMCA Camp Y-Koda and the Sheboygan River Basin Partnership.
- 2006-2007, Learn About Your Land – 15 Classes for Woodland Owners in Calumet, Manitowoc and Sheboygan Counties. (Conducted in partnership with Wisconsin DNR foresters and three local nature centers).
- 2004, A Forester's Toolbox for Presenting Managed Forest Law Workshops (Developed through a collaborative group process with UWEX Darren Lochner and Wisconsin DNR foresters).
- 2003, 2004, Black River Clean-up and Festival, in partnership with Jackson County UWEX, Wisconsin DNR, and Friends of the Black River.
