**Steven Deller  
Professor and  
Community  
Development  
Economist**

*Agricultural and  
Applied  
Economics*

---

## Programming Areas

- Community economic development broadly defined
- Regional economic structure and change
- Economic impact assessment
- Local public finance

---

## Audience and Partners

- My primary audience is the county faculty. I view my work as building a foundation upon which they can build their educational programming.
- Local elected officials, business leaders and concerned citizens are my secondary audience.
- I work with a range of specialists across academic departments on several campuses as well as specialists in the Center for Community Economic Development and the Local Government Center.

---

## Team Membership

- Economic Development - Community and Economic Development  
Preparedness
- Local Government – Local Government & Finance

---
