---

## Programming Areas

- How the adoption of best management practices affect farm profitability and the environment
- Nutrient management planning and implementation
- Manure systems, manure application rates and methods and record keeping
- Environmental regulations
- Agrucultural impact on water quality

---

## Audience and Partners

- Agricultural producers
- Soil and water conservation agency staff
- Private sector agricultural consultants and professionals
- NRCS, LCD, DATCP, DNR, USGS
- County UWEX

---

## Team Membership

- ANRE – Nutrient Management Team

---

## Educational Resources

### Publications

- 1997, June - The Implications of Nutrient Management Regulations on Farms Within the Driftless Region of Wisconsin, Dennis R. Frame. – Edited by Fred Madison and Scott Sturgul

- 2001 – Anaerobic Digesters and Methane Production ... Questions that need to be asked and answered before investing your money. Dennis R. Frame, Fred Madison, Wes Jarrell, Justin Johnson, Sarah Steenlage & Shannon Hayes.

### **Workshops, Wislines and Other Programs**

- 2006, North South Basin Summit II in New Orleans, LA, Dennis R. Frame, "Designing a Farmer Friendly Initiative – The Value of Engagement & Incentives."
- 2006, CSREES National Water Conference in San Antonio, TX, "Nutrient and Sediment Losses from Wisconsin Agricultural Practices."
- 2006, Managing Agricultural Landscapes For Environmental Quality in Kansas City, MO, Dennis R. Frame & Eric Cooley.
- 2006, SOLEC Conference, Dennis R. Frame.
- 2006, DBA Business Conference, Madison, "Rules Won't Improve Water Quality," Dennis R. Frame.

### **Online Tools**

- Not applicable

### **Research and Outreach**

- 2006, "Comparison of Water Quantity and Quality between Subsurface Tile and Edge-of-Field Runoff from a Wisconsin Agricultural Landscape, Dennis R. Frame & Fred Madison, Todd Stuntebeck & Matt Komiskey.
- 2006, "Developing Producer Driven Research and Education Programs," Dennis R. Frame & Fred Madison.
- 2006, "Steep Slopes and Narrow Valleys – Should we Be Farming Here?" Dennis R. Frame & Fred Madison.
- 2006, "Equipment and Methods for Environmental Monitoring of Edge-of-Field, Stream, and Subsurface Tiles Sites for the Wisconsin Discovery Farms Program," Dennis R. Frame, Fred Madison, David Owens, Matt Komiskey, Todd Stuntebeck.
- 2006, "Discovery Farms: Producer Education Targeting Management Practices during Critical Time Periods," Dennis R. Frame and Fred Madison.
