---

## Programming Areas

- Information and assistance for commercial, tribal and public sector aquaculture
- Contact, licensing and start-up planning for prospective fish farmers
- Planning, coordinating and implementing educational programs in all disciplines germane to aquaculture

---

## Audience and Partners

- Current and prospective fish farmers, educators, students and interested others

---

## Team Membership

- Northern Aquaculture Demonstration Facility

---

## Educational Resources

### **Publications**

- 2011, Production parameters and breakeven costs for yellow perch grow-out in recirculation aquaculture systems. J.A. Held, J.A. Malison and S.E Kaatz. [www.aquaculture@uwsp.edu](http://www.aquaculture@uwsp.edu)
- 2010, Sex determination of Yellow Perch (*perca flavescens*) by external morphology. Malison, J.A., J.A. Held and S.E Kaatz. North American Journal of Aquaculture (accepted)
- 2009, Evaluation of brook trout production in a coldwater recycle aquaculture system. Fischer, G.J., J. Held, C. Hartleb and J. Malison. Aquacultural Engineering 41:109-113.
- 2006, Yellow Perch (*perca flavescens*) Culture Guide, NCRAC

Culture Series #103, S.D. Hart, D.L. Garling and J.A. Malison eds.

- 2006, NCRAC Fact sheet series 112, Farm-based production parameters and breakeven costs for yellow perch grow-out in ponds in southern Wisconsin. J.A. Malison, and J.A. Held.
- 1996, Walleye Culture Manual, NCRAC Culture Series #101, R.C. Summerfelt ed.

### **Workshops, Wislines and Other Programs**

- 2011, Indoor recirculating culture of hybrid walleye from egg to market size. Aquaculture America 2011. New Orleans, LA. J.A. Held.
- 2011, Economic comparison of pond systems versus recirculation aquaculture systems (RAS) for yellow perch grow-out. Aquaculture America 2011. New Orleans, LA. J.A. Held and J.A. Malison
- 2011, Beginning aquaculture: Business and facility planning. Beginning aquaculture workshops. Various sites J.A. Held.
- 2010, Cool water/yellow perch culture Midwest Tribal Aquaculture Workshop. Bayfield, WI, J.A. Held.
- 2010, Pond Management. Midwest Tribal Aquaculture Workshop. Bayfield, WI, J.A. Held.
- 2009, Double cropping of yellow perch (*Perca flavescens*) fingerlings in ponds. Aquaculture America 2009. Seattle, WA. J.A. Held, J.A. Malison, A.J. Smith and C.F. Hartleb.
- 2009, Backyard ponds: a victory garden approach. Wisconsin Aquaculture Association Annual Conference. Hayward, WI. J.A. Held, and R.E. Johnson.
- 2009, Biosecurity for aquaculture facilities. HACCP/Biosecurity VHS workshop. Various sites, G.J. Dvorak, J.A. Held, R.E. Johnson and S. Kaatz.
