Farms Program*

Kevan Klingberg

Sr. Outreach Specialist

UW-Discovery Farms Program

40195 Winsand Dr.

PO Box 429

Pigeon Falls, WI 54760

Phone: 715-983-2240

Email: kevan.klingberg@ces.uwex.edu

For more information, visit this website: <http://www.uwdiscoveryfarms.org>

Programming Areas

- Develop, provide and assist environmental training for agricultural BMPs
- Provide technical assistance and on-farm research coordination for core Discovery Farms and special projects
- Gather on-farm data and farm-study site samples to determine the economic and environmental effects of agricultural BMPs
- Educational liaison for local projects delivering farmer focused nutrient management programs

Audience and Partners

- Agricultural producers
- Soil and water conservation agency staff
- Private sector agricultural consultants & professionals
- NRCS, LCD, DATCP, DNR
- County UWEX

Team Membership

- ANRE – Nutrient Management Team
- CNRED – Water Quality Team

Educational Resources

Publications

- Klingberg, K. 2008. A Producer's Guide to Comprehensive Nutrient Management Plans in Wisconsin: Benefits and Challenges of a CNMP. UWEX pub no GWQ 051. University of WI – Extension, Madison, WI.
