

# ***Agronomy Field Day***

**Tuesday, August 27**  
**Montsma and Boelk Farms**  
**Hwy. 151 and Co. Rd. TC, Lamartine**

**10:30 a.m. - 2:30 p.m.**

## *Field Day Highlights:*

- **Corn Hybrid and Soybean Variety Plots**
- **Herbicide Field Plots**

**Corn Silage Moisture Testing:** The Fond du Lac Co. Forage Council will have their silage chopper on-site for whole plant moisture determination. Bring along 4 stalks from a silage field (CUT FRESH!). **Please have the following information with each sample: name, address, phone, E-mail or fax (if available), hybrid, and planting date. Samples must be on site by noon.**
