

Fond du Lac County

Agricultural Clean Sweep

...an opportunity for home owners, farmers, and businesses to properly dispose of unwanted or out-dated ag chemicals.

September 9th and 10th

Friday, September 9: Brandon – Waupun Feed and Seed, 10 a.m. – 12 p.m.
Fond du Lac Co. Fairgrounds Livestock Bldg., 2 p.m. – 6 p.m.

Saturday, September 10: Fond du Lac Co. Fairgrounds Livestock Bldg., 9 a.m. – 11 a.m.

Who can participate?

Fond du Lac Co. farmers may dispose of out-dated or unwanted chemicals at NO COST but must pre-register (see below).

Fond du Lac Co. businesses, government departments, and schools using or retailing pesticides are eligible for a 50 percent subsidy from WDATCP to dispose of ag pesticides. Eligible businesses include:

- Abandoned business sites
- Aerial applicators
- Ag chemical suppliers
- Golf courses
- Landscape contractors
- Structural pest control companies
- Turf managers
- Veterinarians

Businesses interested in participating in the program must contact the Fond du Lac Co. Extension office at least one week prior to the clean sweep date.

Pre-registration by phone is mandatory: Call the Fond du Lac Co. UW Extension office no later than **Friday, September 2nd** (920-929-3171, Ripon: 920-748-7565). When you call, be prepared to answer some general questions about what you are bringing (pesticide or other chemical), how much (lbs. and/or gallons), and the location you will be bringing chemicals to.

Examples of chemicals accepted

Pesticides

2,4-D	Heptachlor
2,4,5-T	Lindane
Atrazine	Malathion
Captan	Parathion
Chlordane	Pentachlor
DDT	Toxaphene

Ag Chemicals

Acid washes
Engine cleaners
Lead paint
Solvents
Veterinary supplies
Wood finishes

Unknown Chemicals

Ag Clean Sweep will accept most unknown chemicals. If you have over 50 lbs. or 5 gallons of unknown chemicals, please let us know when you pre-register.

Drums

Ag Clean Sweep accepts 30- and 55 gallon drums but this must be noted at pre-registration.

Chemicals/Products NOT Accepted

Latex or oil paint, used oil/kerosene, compressed gas cylinders, explosives, freon 11 and 12, infectious and biological wastes, and radioactives
