**There was no old business.**

### **New Business:**

Discussion was held on the tipping situation and the problem with Melissa McCutchen's check and whether or not she should get the tip specified by her buyer. Melissa read a letter written from Chicago Iron, saying that he did indeed give her an extra \$290.97 tip for her steer and we talked about whether she should get the tip or if it should stay in the club account. Discussion was held and a motion was made by Kim Pearce stating that Melissa should get the tip of \$290.97 and the motion was second by Jessica Pearce. Weigh in for the steers is scheduled for January 3, 2009 at 9:00 a.m. at N.F.O. where all steers will be tagged and weighed. Remember to bring a back-up steer if you have one so it gets tagged and weighed as well.
