* Funding from Junior Leaders is possible for all trips and is dependent upon active involvement in the group. Recipients are required to have participated in 50% or more of the group's activities for the year up to the time of the award trip (the year begins with the fall annual meeting). A formal request for funding should be made to the Jr. Leaders by contacting Ian Meeker or the Jr. Leader president.

Award Trip Funding Policy: Youth are strongly discouraged from soliciting funds for these award trips from outside sources. Instead, they should look to their clubs, Junior Leaders Association, and Leaders Association for financial support. Any donations requested or received from area businesses must be reported to the Leaders Association.
