Dear 4-H Members, Families and Friends,

Well, it seems that summer has finally arrived. With the new season also come a few changes.

What's missing? Many of you will notice that this month's newsletter has **no staples—any where**. There are no staples because of a change in newsletter mailing policies / costs mandated by the post office. A new look but all the same useful information!

It is important that everyone gets their Fair entry forms in on time and to check the newsletter for important updates and announcements. There are many deadlines which are quickly approaching and for smooth running summer programs, it is essential that the deadlines are followed.

The new 4-H/HCE Foodstand construction has begun! After a productive winter of fundraising and planning, the old foodstand is gone, there is new cement and the shell of the building is there. Thank you to everyone who has helped thus far in making this possible. There are still many opportunities to volunteer with the foodstand building project, please feel free to contact the UW-Extension Office to volunteer.

Have a safe and happy summer everyone!

Sincerely,

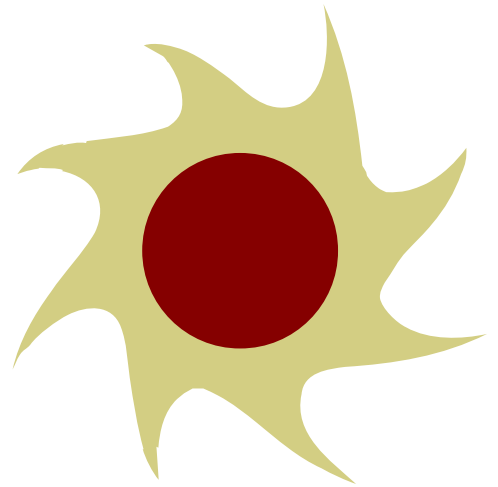

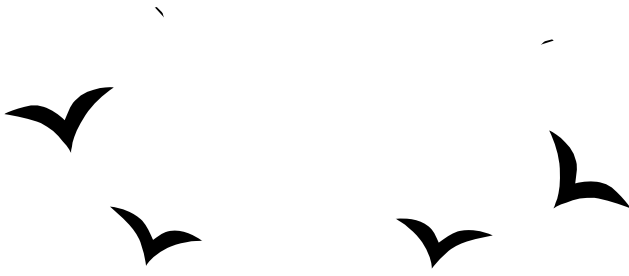

*Sandra Gronski*

## 4-H / HCE FOODSTAND BUILDING PROJECT IS UNDERWAY!

The construction of the new foodstand has begun! Thank you to everyone who helped fundraise for the 4-H Foodstand over the past several months, without your contributions this project wouldn't have been possible.

Now the Friends of Clark County 4-H and HCE are looking for skilled volunteers to help hang sheet metal, work on wiring, plumbing and other construction positions. Volunteers must be able to swing a hammer, climb a ladder and handle a saw. Please contact the Extension Office to have your name added to the list of volunteers. Most work on the Foodstand is being done Saturday mornings.

It will also include information on the incidence of child abuse and how caring adults can help in the prevention of child abuse.

**All new leaders and parents who have not completed the training** and who wish to work with youth in the 4-H program this year and in the future are required to attend a training class. This means if you would like to:

- Coach volleyball or softball
- Drama director / assistant

- Serve as a project or activity leader in your club

**You are required to have this training course!**

The training will last approximately 2 hours and will be held on:
