

The 4-H Gateway Academy Offers:

- √ Fun and challenging hands-on, high tech projects
- √ Valuable teamwork experience
- √ Real-world views of engineering and technical careers
- √ Recreational opportunities
- √ Friendships with students who have similar interests

The summer program is specifically designed by the Society of Manufacturing Engineers—Education Foundation and 4-H to help middle school students explore careers in science, technology, engineering and math.

For those students entering high school, now is the ideal time to start on the path toward a profession in technical careers.

The Bureau of Labor Statistics projects the demand for engineers to increase by 160,000 or 11 percent from 2006-2016.

About UW Extension-Crawford County 4-H

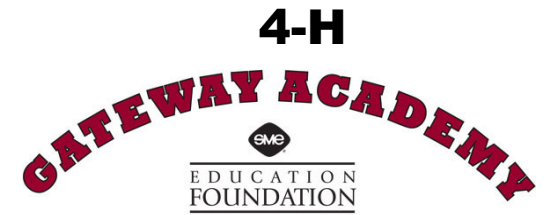

Children and youth build leadership skills, gain life skills, and explore careers through 4-H projects. Over 250 youth in grades K-12 are members of Crawford County 4-H. The 4-H Gateway Academy is a partnership which involves 4-H activities along with the development of hands-on high-tech projects. Open House Aug. 20th from 3:30-5 p.m.

Prairie du Chien High School

To Register: \$10+ Registration

Form by August 10th

The 4-H Gateway Academy is a joint venture of UW Extension–Crawford County 4-H, Society of Manufacturing Engineers (SME) Education Foundation, Kern Family Foundation and Prairie du Chien School District.

The 4-H Gateway Academy has two instructors certified to teach this day camp - Mitch Tollefson, and Gary Nettesheim. They will provide expert instruction in small group settings. During the week, campers will work together in a fun, exciting environment using leading-edge technologies to sample such disciplines as robotics, aeronautics and computer design.

4-H Activities, including a field trip to a manufacturing company in the area, will compliment the tech activities. A lunch with morning and afternoon snacks is provided each day.

4-H GATEWAY REGISTRATION

Day Campers will be selected on a first-come, first-serve basis by completing the registration in this brochure and payment of \$10. Highly motivated students who meet the admission requirements are encouraged to apply to secure a slot.

4-H GATEWAY APPLICANTS MUST BE:

- √ Boys or Girls entering 8th or 9th grade in the fall of 2009
- √ Interested in science, technology, engineering or math careers
- √ Comfortable working in a fast paced environment
- √ Curious about how things work
- √ Willing to participate in the activities and the field trip
- √ Eager to have fun, learn something new and make new friends
