

## BEEF FEED EXPENSES

- ❑ List in the top row of the table the type of feed that you fed. You may have more than one type of feed or you may only have one kind. If you feed more than 4 different kinds, you may add columns.
- ❑ In the "Total Pounds" column, enter in the amount that you fed each month.
- ❑ In the "Total Cost" column, enter the total feed cost for each month.
- ❑ Your Feed could be:
  1. A complete feed
  2. Concentrates such as corn, protein, oats or others
  3. Corn silage or haylage
  4. Hay
  5. Mineral and salt
  6. Milk replacer or milk
  7. You may feed something different!

\*\*Water is the most important nutrient that your animal needs - be sure to always have a clean and adequate water supply available for your animal.\*\*
