

# A new and exciting Opportunity Animal Science Leadership Symposium

## Calling Outstanding Project members

30 project members will be selected who are:

\*\* Grade 9 and above

\*\* with at least three years of experience in an animal project.

UW-Extension is offering  
**A special experience designed for you!**

Learn about :

- *How to become a leader in your community or county project and make a difference*
- *Current concerns in the area of Animal Agriculture*
- *Post high school Agricultural educational opportunities*
- *How to prepare for a career in agriculture*

July 7-9, 2008  
UW-Platteville

Program starts at 3 pm on Monday afternoon and adjourns at noon on Wednesday. Program participants will be staying on site at the Cooper Living Center

Cost: \$150 per person covers lodging, meals and program costs

We will include a number of learning opportunities and resources from the community and Platteville area.

Application forms will be available in May and registration deadline will be June 20, 2008. Watch the Wisconsin 4-H website.
