

DEPARTMENT 2

BEEF

*(Mike Guenther 887-1588; Ralph Pahl, 349-3323
and John Becker 349-3788, Superintendents)*

Beef members can also enter in Department 10 – Class G

- All Market entries must be steers
- **Beef entry fee is \$2.00 PER animal ENTERED**
- *Read Health Rules regarding animals/exhibits at Fair*
- Steer entries will be divided into two main classes:
- *Class A - Beef breeds & respective beef and dairy crosses*
- *Class B - All Straight Dairy Breed animals*
- *(Entries in both major classes will be divided into weight subclasses provided 16 or more entries are received)*
- **Exhibitors may have two market entries.** *Only one animal may be shown by an exhibitor in a subclass. If both market entries fall into same subclass, one entry will be assigned to next appropriate class by committee recommendation. Classes are posted Tuesday evening in Beef barn to make class corrections.*
- **All steers must be completely castrated and dehorned.** Scurs are acceptable if less than 2 inches in length and loose from the skull.
- Final class placing will be based on live evaluation. Pounds gained (30%), Live Placing (70%), except in Championship classes, will set sale order.
- Subclass top blues (A-Beef; B-Dairy) will show for champion. Champion subclass 2nd blue can be called for Reserve Champion.
- See MARKET BEEF Rules in **Meat Animal Sale Section** of Fair book. (Also see sample score cards in that section.)
- Steer entries not pre-identified in February receive lowest possible rate of gain score & are not eligible for Champion honors or sale.
- **Exhibitors are totally responsible for behavior of entries in and out of the ring. Show Committee reserves right to dismiss from ring animals that threaten the welfare of exhibitors, staff or audience.**
