

## DEPARTMENT 1 DAIRY CATTLE

(Donna Damrow 386-2351 Superintendent)

### Dairy members can also enter in Department 10 – Class G

- Exhibitor grade determined as of January 1 of current year
- Incorrect entries are allowed to show in appropriate class by age, breed, registered/grade status & will be placed. In this situation, entry receives class ribbons but is ineligible to receive awards, premium money or to participate in Champion parade or participation in the Dairy Youth Recognition Auction. (awards & champion parade participation move down to 2<sup>nd</sup> and 3<sup>rd</sup> place).
- Animals [ANY age] may be shown (*purchased/raised by exhibitor*) PROVIDING RECORDS are KEPT as follows: [SPRING & WINTER calves – 3months] [FALL calves – 4 months] [All other dairy animals – for 5 months] Enforcement *responsibility of this rule: dairy leaders, advisors & Dairy Youth Advisory Committee. Rule Intent: exhibitor should have a history of working with project animal(s)*
- Entry substitution permitted **within the same lot** (*purchased or raised*) providing records are kept by exhibitor as stated above.
- Provision is made for dry cows that freshen before Show Day. Cows in milk for over 280 days [or at Superintendent's discretion] can show as dry cows.
  
- **Exhibitors shall be limited to 5 Dairy Animal entries.**
- **Check-in time: 8am-4pm Entry Day. No late entries accepted.**
- No animal may be housed unless animal's identification has been verified by dairy cattle check-in staff. **Acceptable forms of animal identification for breeding animals are 1) an official metal eartag, 2) a breed registration number, 3) a breed registration tattoo or 4) other identification approved by the department. This check-in process occurs only on the north end of the cattle barns.** Failure to comply is considered an incorrect entry: entry is eligible to receive ribbons and awards but is ineligible to receive premium money or to participate in the Dairy Youth Recognition Auction.
- Officially identified Holsteins of 87% Registered Holstein Ancestry or higher may show in Registered Holstein Classes and must be accompanied by registration certificate or fax copy from Holstein Assn of America.
- No animals with a known active registration of 87% registered ancestry with its respective breeds' association or an animal that has been shown in any open or junior show in a registered class shall be shown in a grade class and will be subject to disqualification from the show, loss of ribbon, awards, premiums, and will be ineligible for the Dairy Youth Recognition Auction for that animal only. Qualification may be examined by Dodge County's Dairy Youth Advisory Committee for a period no longer than two months following the show.
- **Dairy Entry Fee is \$2.00 per animal ENTERED.** No refunds.
- Each exhibitor showing cows in milk will be assessed a "milk house fee" which will be taken out of the individual milk check. This fee will cover milk house supplies and clean up charges.
- Barns will be regularly inspected; exhibits must be kept neat at all times. Dairy Superintendent reserves right to withhold premium money from exhibits and/or exhibitors as are held unworthy.
- All exhibitors are required to wear **white trousers or white skirt/shorts** for show ring competition & to wear uniform back tags w/exhibitor entry no. (*Back tags are provided show day*).
- **Unclipped animals NOT allowed to enter show ring.**  
**Must have been clipped within one week of fair** To show, animal must have head & tail clipped; cow's udder must be clipped
- Judge may disqualify/discount unmanageable show ring animal.
- Registered and grade 1<sup>st</sup> and 2<sup>nd</sup> place blue ribbon class winners are eligible for championship awards.
- Calves born before Dec 1 preceding exhibit year, **must be dehorned.**
- Any dairy exhibitor showing milking dairy animals and using the fair milking parlor is responsible for cleaning up manure left by his/her animal(s) in parlor area or walkway between barns after each milking.
- **EXHIBITOR'S Herd** is 3 animals (*cows, yearlings or calves*) of ANY breed. These animals may be registered, grade or combination. **All animals in group must have been exhibited by 1 exhibitor.** We encourage person showing an Exhibitor's Herd to employ other Jr. Dairy exhibitors in organizing their exhibit (*See dress code above*)
- **CLUB Herd** is comprised of 5 animals of any age or breed exhibited by members of a club/chapter. The 5 animals must have been shown in regular classes by 2 or more exhibitors.
- **Eligibility for BRED & OWNED:** 1) Animal is solely bred and owned by one Junior Exhibitor. OR 2) Animal is solely bred by one Junior Exhibitor, and is co-owned with a brother or sister who is also a Junior Exhibitor. Animal must be exhibited by the breeder. OR 3) Animal is co-bred and co-owned with a brother or sister only. Both breeders and both owners must be eligible to show at Junior Dodge County Fair. OR 4) Animal is co-bred by two Junior family members, and is owned by one of the co-breeders, must be transferred to the co-breeder who will be showing it as a Junior Exhibitor.
- All bedding and feed must be furnished by exhibitor.

## **SHOW RING CODE of ETHICS** **THIS WILL BE ENFORCED**

The showing of registered dairy cattle stimulates and sustains interest in the breeding registered dairy cattle. It is also an important part of the promotion, merchandising and breeding program of many breeders. For these reasons, the Purebred Dairy Cattle Association (PDCA) believes that it is in the best interest of all breeders of registered dairy cattle to maintain a reputation of integrity in dairy cattle shows and to present a wholesome and progressive image of dairy cattle in the show ring. PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.

The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall at all times deport themselves with honesty and good sportsmanship.

It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, disease, or illegal or non-approved use of drugs, medication and/or prohibited substance, or residue.

The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

### Grooming and Preparation

Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (1994), with specific breed characteristics taken into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility. Specifically:

1. External applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
2. The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
4. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats.

### Violations: False, Deceptive or Unacceptable Practices

These practices are violations of the Code of Ethics and will be reported to show management and may be reported to the respective national breed associations:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.

2. Treating the animal, particularly the udder, internally or externally:
  - a. with an irritant or counter-irritant,
  - b. using a device to artificially create or enhance the udder crease,
  - c. using other substances as detected by testing that causes changes in the udder to artificially improve the conformation.
  - d. plugging of teat canal with foreign substances.
3. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (i.e., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.
5. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

### Exhibitor Responsibility

The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (hereinafter referred to as "Exhibitor") for show management to obtain any specimens of urine, saliva, blood, milk, or other substances from the animal to be used in testing. Materials may also be collected by ultrasound and photographic methods and by direct examination of animal.

The act of entering an animal is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor") to have disciplinary action for violation of this Show Ring Code of Ethics taken by show management, the state in which the show occurs, and/or the national dairy breed association without recourse.

### Show Ethics Committee

Each show should have an Ethics Committee. The make-up of this committee should include official breed representatives, representative(s) of show management (e.g., dairy cattle show superintendent, General Manager), the official show veterinarian, and Extension representative.

The Ethics Committee will be responsible for monitoring violations of the Show Ring Code of Ethics. The Ethics Committee will investigate the report of any violation and determine the accuracy of the allegation. The Ethics Committee will have the authority to inspect animals and related material to determine if violations have occurred.

### Violations: Reporting and Investigation

Complaints of alleged violations can be reported to the breed superintendent, the show superintendent, show management, and/or the Ethics Committee.

### Before An Animal is Shown

If the Ethics Committee suspects that a violation of the Show Ring Code of Ethics will occur if the animal is shown, and that violation is reasonably well established before the animal is shown, the Ethics Committee will submit a report to show management.

Show management will discuss the violation with the Exhibitor:

1. If, at the Exhibitor's discretion, the animal in question is not shown, no violation will have occurred.
2. If the Exhibitor wishes to challenge that a violation occurred, he/she/they will have opportunity to appeal to the Ethics Committee. If its decision is not changed, the Exhibitor will be denied opportunity to exhibit the animal in question.

During and After An Animal is Shown

All animals are subject to examination during judging. The judge and Ethics Committee are instructed to examine the top five (5) animals in each class closely for violations of the Show Ring Code of Ethics. When a violation may have occurred, a milkout may be called for. This call may be by breed association rule, or by request of an authorized representative of the national breed association, the judge, the Ethics Committee, or show management. If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the Ethics Committee and show management for action. The Exhibitor will be notified of the violation and the supporting evidence and invited to defend or explain the allegations. Violations are subject to the disciplinary provisions of show management, the state in which the show occurs, and the national dairy breed association. Sanctions may include any one, or combination of the following:

- forfeiture or return of awards, prizes, premiums or proceeds;
- written letter of reprimand to the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor");
- disqualification of the exhibition livestock from an exhibition;
- disqualification of the Exhibitor from the show;
- publication of offense.

Disqualification may include any or all shows and classes and may be for any number of years.

History: Adopted by PDCA in March 1969, revised March 1971, February 1977, February 1981, February 1986, February 1988, February 1989, February 1992, February 1993, November 1995, April 2002; April 2004.

**SHOW ORDER and TIMETABLE**

**Jr Dairy Cattle Show judging begins at 8:30am.** Registered/Grade Classes are alternated by age; dairy are shown in a fixed breed rotation (*Holstein, Ayrshire, Brown Swiss, Guernsey, Jersey, Milking Shorthorn, and Any Other Dairy Breed and Dairy Crossbred*) Mature animals show first followed by young stock.

*Any Other Dairy Breed and Dairy Crossbred will be a combined class – giving more opportunity for competition and education.*

**Jr Dairy Show catalog is printed in Class order Show will follow.**

*Showmanship Classes begin at 8:30am Friday following Jr Dairy Show*

To promote interest in the Dairy Project, the Dodge County Dairy Youth Advisory Committee organizes and sponsors a "Little Britches" Showmanship Contest. The contest is open to anyone 4 years of age and older (Up to grade 4) interested in showing a dairy calf.

**Deadline for Little Britches Showmanship Contest is AUGUST 1.**

**Contest Rules**

- Youth participating will be divided into grade divisions according to number of entrants (*age determined as of contest date*)
- Calves must have a June or July birth date (of current year), represent any major dairy breed (*Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Milking Shorthorn*), and may be male or female. **NO BEEF BREEDS!!!**
- Calves are brought to Fairgrounds (may be housed in North end of Farm Progress Arena) the morning of show—anytime before 1:00pm—and returned home following the show. **Calves must have an acceptable form of animal identification for breeding animals. These are 1) an official metal eartag, 2) a breed registration number, 3) a breed registration tattoo or 4) other identification approved by the department. Calves will be tagged on the grounds if not possessing one of the above.**
- Calf clipping and washing are not required; however animals should be reasonably clean and well brushed.
- All participants are encouraged to wear white/khaki pants and use rope/show halters: especially 3<sup>rd</sup> and 4<sup>th</sup> graders are encouraged for a better workshop experience. **NO HATS TO BE WORN IN THE SHOW RING.**
- Judging based on proper showmanship techniques as demonstrated by child and how well the calf has been trained.
