

NASCO 4-H Rebate Program

How the 4-H Rebate Program Works?

By reporting your county's coupon number when you place a Farm & Ranch order with *Nasco* your county will automatically receive 5% cash back at the end of the program. You may place your order by mail, by calling our toll-free phone order center 800.558.9595, or *Nasco's* on website (www.enasco.com).

To report your coupon number when placing a mail in order, please write the number in the "Billing Information" area on the front of the order form. When placing a phone order, just remember to tell the operator who is taking your order your county's coupon number in the comments box to assure that you earn rebate credit. **Dodge County's number is 9800229(P)**

Who May Use Your County's Coupon Number?

Who may use your county's number? Anyone. Ask friends, relatives and members of your community to order their Farm & Ranch supplies from *Nasco*, and their purchases will also earn your county 5%, provided they use your coupon number when placing their order! No other discounts or rebates (such as *Nasco's* 2% Farm & Ranch Loyalty Credit Program) will apply.
