

Community Members Supporting Families,

For 2009 the Kid's Share Fair will again be held at the spacious Heritage Village Shops and Professional Center (formerly the Beaver Dam Mall)! With lots of room for everyone we invite you to participate in the eighth annual **Kid's Share Fair** that will be held on **Saturday, February 28th from 9:30 to 12:00**. This event educates and informs families of the child care services, agencies, programs and businesses in the community.

We connect families to the resources of our communities and allow children to have fun at the same time. Our goal is to have 50 fun and free hands-on activities for young children, ages 0-8 at this event. **Your participation and sponsorship make this happen.** Bring a table exhibit and/or an activity for children to enjoy and informational materials. To help defray the costs, we are asking a \$10 donation per table.

In addition to participation in the fair, we invite you to consider sponsorship of the event or a material donation to compliment the event. Your company or business name will be publicly acknowledged as a sponsor of the Kid's Share Fair and the Child Care Appreciation. Sponsorship checks can be sent to: Kid's Share Fair, UW-Extension, 127 E. Oak Street, Juneau, WI 53039. This is an activity-oriented, educational fair and no sales will be allowed.

The Dodge County Early Care and Education Task Force is organizing this event. We are a collaborative group with representatives from Dodge County childcare centers and organizations, Dodge County Human Services, the Parent Resource Place and UW-Extension. We work together to support the early childhood educators of Dodge County and we educate parents and our community on family and child related issues.

For more information on the Kids' Share Fair, contact Shirley Kitchen or Kathy Hetzel. You can make a difference in the life of a child and we thank you for your participation. Make the 2009 Kid's Share Fair a success.

Inquiries for donations can be directed to Kathy Hetzel.

Thank you,
