NOVEMBER 2009

*DOCKSIDE with DAWN ...*

Hello 4-H Families!

November is a great month of the year! We wrap-up re-enrollment in 4-H during this month! It's a very busy and important time, and I wanted to give you a reminder of things that each family will need to remember as you fill out your re-enrollment forms.

Your 4-H Club General Leader will have your re-enrollment forms. I hope you attended your club's October meeting to get the forms and the Project Selection Guide for 2010! If you weren't able to make it to the meeting, please contact them directly to get your forms! And make sure to find out when they need to be returned to your leader -- they are due **to our office by November 21**, but need your leader's signature first!

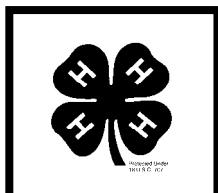

Wisconsin 4-H has moved to a new computer software program to keep track of 4-H members and leaders, and we are in the second year of using this new program. We continue to ask for your patience as we work through re-enrollment season using only this program. So far, so good with the new program, but we all know what computers can be like!

With your enrollment forms, you should have received a sheet with specific details and things to make sure to check before handing your forms in. Please help us get you the information you need in a timely manner by checking (and double- or triple-checking) your forms!

I hope you're excited to start a new year in Door County 4-H! Make sure to read through the rest of the newsletter for all the great opportunities coming up! I am looking forward to a year of fun, learning and great things!
