JUNE 2009

**Jr. Fair Entries
Due: July 2**

DOCKSIDE with DAWN ...

Greetings 4-H Families!

As we move into the exciting summer season in the 4-H program, we have more opportunities, more hours of daylight, and more things going on in our busy lives. However, it's really important as we start the month of June to remember deadlines!

With the Door County Fair quickly approaching, it's easy to get excited about bringing exhibits to the fair and thinking about all the fun we'll have at the Fair, but we can't forget about the deadlines that are associated with the Fair and other summer events!

The big deadline coming up for everyone in the 4-H program is July 2nd. Take a moment to mark it on your calendars, circle it in bright marker or do whatever you need to so that you don't forget that date! All Junior Fair entries are due to the Extension Office by the end of the day on that date – no exceptions! If you are planning to enter something in the Junior Fair division of the Door County Fair, you must have your entries in by that date! We don't want anyone to miss out on sharing their great projects and having the positive experience of having their exhibit judged because they forgot the deadline.

And as we look forward, it's important to remember other deadlines too! Inside this monthly newsletter, there are tons of important dates to take note of. As you read through this each month, circle or highlight those dates that are important to you and your family. It will help keep you on target and not miss out on all the awesome 4-H opportunities available for you and your family!
