HEATHER JOHNSON & FAMILY FAREWELL PARTY

Thursday, October 8

5:00 p.m.-?

John Miles County Park - Pavilion

We'll Miss You!

Many of us in the 4-H program know or have worked with Heather Johnson, local veterinarian and 4-H leader. Heather & her family will be moving out East soon, and there will be a farewell gathering for her and her family on **Thursday, October 8th, 5:00 p.m.-?** at the Pavilion (by the playground equipment) at the **John Miles County Park**. Grills will be available, but everyone is asked to bring their own meat and a dish to pass. Join us as we wish Heather and her family all the best in their new adventure!

ARTS LAB EAST

After its brand new introduction last year, the results are in! Art Lab East is back, scheduled for **December 5 & 6** at the Milwaukee County UW-Extension Office and the State Fair Park Youth Center! The fun starts at 10 a.m. on Saturday and ends at noon on Sunday. The mission of the Art Lab is to provide an in-depth and focused experience in the "art track" of choice for members in grades 9-12. Tracks are being expanded from the traditional communication, music, theatre arts, video, and photography to include other topics such as Culinary Arts, Basketry, Comic Book Art, Tae Kwon Do, Directing for the Theatre and more! Each participant will choose one track for the entire weekend. 4-H youth and adults will select one of a wide variety of educational tracks to go "in depth" and explore the art form that interests them the most! Participants will also work together in large groups for team building and sharing. Our Sunday brunch will even feature the creations of the Culinary Arts Track! Registration cost is \$35 and is due by November 6th! Contact the UW-Extension Office for more information!

DONATE TO THE FOOD PANTRIES

Your help is needed throughout the year! Please donate your extra garden produce to the food pantries. There are many families who don't have space for a garden and would appreciate fresh garden produce! If you have questions, contact Feed My People at 743-9053.
