CLUB NOTES

LAKE VIEWERS 4-H (by Allie Rittle)

Our club is getting ready for a year full of lots of service projects. We started our season by cleaning the busses for the Sunshine House. They were having their State Inspection a few days later so it was great timing for us to come and help! We had 30 of our members there and we worked together to make the busses nice and shiny! It felt good to help a good cause and the weather was perfect on that day! We also had a quick meeting afterwards, planning for the next few months. On October 11th, we are going to pick-up garbage on Highway 42/57 where we clean up twice a year for the Adopt A Highway program. We are going to start planning soon for our Senior Dinner which happens in December. We also have a lot of new members. We are excited for a great 4-H year!
