

Youth Representative Opportunities

Murphy Oil Community Advisory Panel

The Murphy Oil Community Advisory Panel was formed because the company wants to increase communication with its neighbors. It serves as a forum where the company can learn the community's perspective regarding their operations and the impact (perceived and real) of their actions on the neighborhood. It also provides an opportunity for members to get questions answered and concerns addressed. The panel is a crucial link in communication between company and the community.

United Way of Superior-Douglas County Board of Directors

The United Way of Superior-Douglas County supports local programs and services and works with them to find ways to meet community needs. And there are many services offered to address these needs by United Way agencies; services like after-school programs and mentoring, health care, rehabilitation for workers with disabilities, shelter for victims of abuse, and care for the elderly. Youth Representatives on the United Way Board of Directors provide a youth voice in decision making and an opportunity to serve in an active leadership role in the organization.
