

## Workshop Facilitator and Instructor

**Facilitator:** Fariba Pendleton,  
Community Resource Development  
Educator from Douglas County UW-  
Extension.

**Instructor:** Doug Miskowiak, Land  
Use Education Specialist from the  
Center for Land Use Education at UW-  
Stevens Point.

Doug works with Wisconsin commu-  
nities on various aspects of com-  
prehensive planning. Funded by the  
Global Environmental Management  
Education Center (GEM) through the  
NRCS, he is currently working with  
Ashland and Waupaca Counties on  
public participation, computer tools for  
planning, and plan implementation.

---

This workshop will be co-hosted by  
UW-Extension Community Resource  
Development Educators from the  
following Counties:

Jane Silberstein, Ashland County  
Tim Kane, Bayfield County  
Mike Kornmann, Burnett County  
Fariba Pendleton, Douglas County  
Will Andresen, Iron County  
Dave Berard, Sawyer County

---

requirements.

## *Plan Commission Essentials - Roles and Responsibilities Workshop for Wisconsin Towns*

**Hands on Training  
For Local Officials in  
Ashland, Bayfield, Burnett,  
Douglas, Iron, Sawyer, and  
Washburn Counties**

**Presented by:  
University of WI-Extension  
And  
Center for Land Use  
Education**

## "Plan Commission Essentials – Roles and Responsibilities"

### Workshop learning objectives:

- Roles and responsibilities of the plan commission post plan development
- Increase ability to utilize your Plan for land use decision making
- Increase understanding of tools and strategies to meet certain Plan goals

Towns are encouraged to send members of their Planning body, as hands on exercises will entail teamwork and evaluation of your local plan. Attendees are strongly recommended to bring a copy of their most recent local Land Use or Comprehensive Plan, applicable ordinances, and maps.
