

5 University Drive  
Sheboygan, WI 53081  
(920) 459-5900

A program geared toward weaned heifers and older, producers and heifer growers will learn about the newest in reproductive management, cattle handling options, and health management. With fluctuating feed costs and increased inputs, producers and growers will hear about how to keep profit margins profitable and feeding heifers for a smooth transition.

Please plan to join us to learn more about maximizing your heifer management strategies.
